

ULTRA

DINING ARMCHAIR

ULTRA DINING ARMCHAIR

Designer George Tsironas

Dimensions W58 x D58 x H88 - SH47 cm

Materials Powder coated aluminum frame
Armrests in tropical wood
Seat and back cushions upholstered
in fabric or eco leather

Weight 6.8 kg

Volume 0.3 m³

Sustainability

10DEKA prioritizes its ecological footprint by using recyclable materials and manufacturing practices to minimize the waste and the energy consumption, while continuously expanding the range of eco-friendly products. Our stringent adherence to global standards ensures that our products meet rigorous criteria for strength, durability, and safety.

Warranty

10DEKA offers a 2-year warranty on its products, valid ONLY with proper use. It excludes faults from normal wear and tear. If a manufacturing defect is found, the company will decide to repair or replace the product. For more information, please reach out to our sales team.

Maintenance

Regularly vacuum your furniture using the upholstery nozzle to remove dust and prevent fluff and pilling. Occasionally, straighten the fabric with your hands. To smooth out wrinkles, use a steamer. If liquids spill, immediately blot the area with an absorbent napkin or cloth, dabbing gently towards the center of the stain. Avoid using concentrated detergents, bleach, ammonia, optical brighteners, or soaps meant for hard surfaces. Spot cleaning is not recommended as it can damage the fabric and cause color loss. For wool fabrics, most stains can be removed with lukewarm water and a clean, lint-free cloth. If needed, add a small amount of neutral detergent. Do not rub the material vigorously, as this can cause color loss and fabric damage. Using a hairdryer may help to prevent water marks. If a stain persists, consult a professional cleaner.
